CENTRAL CANADA'S LARGEST SUPPLIER FOR INFLATABLE BOATS AND PARTS

GASHOPPER INC. / THEINFLATABLEBOATSHOP.COM

A family owned company...

GasHopper Inc. / THEINFLATABLEBOATSHOP.COM, we carry inflatable boats, marine parts and fix those uh oh's when you hit a rock. Big or small, we fix them all. We make getting your boat back on the water, easy as 1, 2, 3.

GasHopper Inc. / THEINFLATABLEBOATSHOP.COM, is a family owned and operated company that got started with a vision. A vision to provide easy and affordable repair services for the marine industry. We started out as providing mobile 12 volt electronics installation and service company for the automotive industry. Giving electrical and electronic repairs, installations, sales and services right to your door since 2015. In 2016 we started our focus on the inflatable boats repairs.

Now being Manitoba's and Central Canada's main choice for inflatable boats and boat repair, we strive at giving you the best prices and service wherever possible. We provide an all around service at getting your boat back on the water easy, or making your next or first inflatable boat purchase knowledgeable and easy.

We want to help you enjoy and make more of your precious time by providing the best services and sales experience possible. Our service is second to none. We take great pride in offering the greatest customer experience while giving you expert technician and/or sales services.

Our Mission...

Our mission is simple. Becoming Central Canada's main choice for inflatable boats, parts and repairs. We have the largest selection and access to inflatable boats, parts and much more for all our clients in the marine industry. Whether you own a fleet of boats, or just wanting to purchase your first marine product, we're here to provide you with expert advice and best prices possible.

Marine Experts...

With over 20+ years in the repair industry, our head tech, owner and boss, Steven Fredericks, comes from an extensive background in the marine industry. His pride and quality of work is second to none. He makes sure every client/customer is happy with their repair or purchase.

TERMS AND CONDITIONS

In using this catalog you are deemed to have read and agreed to these following terms and conditions: The following terminology applies to these Terms and Conditions, Privacy Statement and Disclaimer Notice and any or all Agreements: "Client", "You" and "Your" refers to you, the person accessing this catalog and accepting the Company's terms and conditions. "The Company", "Ourselves", "We" and "Us", refers to GasHopper Inc and theinflatableboatshop.com. "Party", "Parties", or "Us", refers to both the Client and ourselves, or either the Client or ourselves. All terms refer to the offer, acceptance and consideration of payment necessary to undertake the process of our assistance to the Client in the most appropriate manner, whether by formal meetings of a fixed duration, or any other means, for the express purpose of meeting the Client's needs in respect of provision of the Company's stated services/products, in accordance with and subject to, prevailing Canadian Law. Any use of the above terminology or other words in the singular, plural, capitalization and/or he/she or they, are taken as interchangeable and therefore as referring to same.

How To Order:

Placing an order can be done multiple ways; through our websites 'www.theinflatableboatshop.com' or 'gashopperinc.com', direct E-Mail to' gashopperinc@hotmail.com' or 'sales@theinflatableboats.com', or by calling us at: Manitoba Local: 204-795-5950 Toll-Free 844-747-4677.

Payments:

Certified cheques, Credit/Debit Cards, Bank Draft, CASH, PAYPAL, Wire Transfers or E-Transfers are all acceptable methods of payment. Our Terms are payment in full at time of purchase. All goods remain the property of the GasHopper Inc until monies owed are paid for in full. Monies that remains outstanding on invoices and/or payments by the due date, will incur a \$50.00 late payment interest at the rate of 5% above the prevailing base rate on the outstanding balance until such time as the balance is paid in full and final settlement. We reserve the right to seek recovery of any monies remaining unpaid ninety days from the date of invoice via collection Agencies and/or through the Small Claims Court in the event that the outstanding balance does not exceed \$5000. In such circumstances, you shall be liable for any and all additional administrative and/or court costs. If properties are part of the outstanding invoices and/or payments, properties will then be resold with no monies being returned. In the event resale doesn't cover expenses incurred on outstanding payments and/or invoices, you the customer will be liable for remaining monies

Returned cheques will incur a \$65 charge to cover banking fees and administrative costs. In an instance of a second Returned cheque, we reserve the right to terminate the arrangement and, if agreed to, we shall insist on future cash transactions only. Consequently, all bookings and/or transactions and agreements entered into will cease with immediate effect until such time as any and all outstanding monies are recovered in full.

Refunds, credits and Returns:

All Sales are final! No credits, returns or refunds.

In the event an item(s) becomes unavailable from the manufacturer after backorder purchase, a full refund will be sent or a store credit, whichever you the customer decide to choose.

Cancellation Policy:

Minimum 24 hours notice of cancellation required. Notification for instance, in person, via email, mobile phone 'text message' and/or fax, or any other means will be accepted subject to confirmation in writing. We reserve the right to levy a \$100 charge to cover any subsequent administrative expenses.

Cancellations are not acceptable if special orders, or particular items were ordered in advanced and therefore no monies will be return.

Shipping and Delivery:

Deliveries and shipping method(s) are chosen at time of check out or whenever suggested through e-mail or phone call. We may sometimes under certain circumstances, switch shipping or delivery couriers at anytime that we feel fit to properly deliver the item(s) purchased in a safe matter. We are not responsible for damaged caused during shipping and/or freight deliveries. Item(s) damaged during shipping; you the customer will have to notify us immediately, to make a claim with the delivery company. Delivery time: is referred to item(s) or product(s) purchased and the time it takes to get them packaged and/or ready for shipping. We are not responsible for delays that are out of our control. All item(s) and/or product(s) that are shipped or freight delivery will have limited insurance provided to reduce shipping cost. If additional insurance is requested or required, please contact us immediately so we can adjust the shipping charges and insurances, and bill you the customer accordingly.

Some items are only available to Canadian residence only or cannot be shipped outside of North America. For non-Canadian residences, we strongly recommend that you the customer, contact us so we can find the best shipping method possible for you without any inconveniences or delays.

Global Shipping Logistics that covers all four corners of the globe... Our team is dedicated in providing world-wide international shipping logistics for everything we sell here at GasHopper Inc. and The Inflatable Boat Shop. We know getting some inflatable boat parts or supplies may be difficult to get in your region, so we have reached to various global shipping agencies that provide reliable transportation for everything we sell. We're proud to be a global supplier of products for the marine industry. Contact us for more information.

General:

The laws of Canada govern these terms and conditions. By accessing our catalog and using our services/buying our products, you consent to these terms and conditions and to the exclusive jurisdiction of the Canadian courts in all disputes arising out of such access. If any of these terms are deemed invalid or unenforceable for any reason (including, but not limited to the exclusions and limitations set out above), then the invalid or unenforceable provision will be severed from these terms and the remaining terms will continue to apply. Failure of the Company to enforce any of the provisions set out in these Terms and Conditions and any Agreement, or failure to exercise any option to terminate, shall not be construed as waiver of such provisions and shall not affect the validity of these Terms and Conditions or of any Agreement or any part thereof, or the right thereafter to enforce each and every provision. These Terms and Conditions shall not be amended, modified, varied or supplemented except in writing and signed by duly authorized representatives of the Company.

Notification of Changes:

If there are any changes to our privacy policy, we will announce that these changes have been made on our website and on other key pages on our site. If there are any changes in how we use our site customers Personally Identifiable Information, notification by e-mail or postal mail will be made to those affected by this change. Any changes to our privacy policy will be posted on our web site 30 days prior to these changes taking place. You are therefore advised to re-read this statement on a regular basis.

INFLATABLE BOATS

Zodiac Nautic has its origins in the 'Société française de ballons dirigeables et d'aviation Zodiac', a specialist in the production of airships. One of its engineers, Pierre Debroutelle, invented the first inflatable boat prototypes in the 1930s for the Aéronavale (French Naval Air Force), which was looking for easy and innovative solutions for military transport.

With a wide range of dinghy models available in the CADET tenders, Zodiac is sure to have the right model for you!

A Bombard™ boat is first of all a boat made for the sea – functional, safe, strong and reliable: there is no kidding with the sea. This absolute rigor in the conception and building of our boats doesn't keep us from also offering equipment to make life on board easier and to do all sea activities: diving, skiing, wakeboarding, fishing, spearfishing, etc.

The Commando is a boat made for action.

It was built without embellishments: rigid keel, aluminum floor, it makes its way with power and precision, in all circumstances. Is it a surprise that it attracted explorers as well as fishing and spearfishing fans?

COMMANDO SERIES

Commando Series available in two color choices: RED or BLACK

| Commando | C3 | PVC | 1653 | 6 | 40 | 12'6" | 5'9" | 18" | 216 |

| | C5 | PVC | 2535 | 9 | 60L | 15'5" | 6'3" | 20" | 282 |

When the water gets rough and stormy, you can always rely on your TYPHOON to get you back safely.

With the Typhoon, going out to sea can be decided instantly: light and non-bulky, it easily finds its place in the trunk of the car. Simple, quick to set up and launch, it's immediately operational. Strong, agile and safe, it makes it possible to navigate serenely.

| Typhoon | 310 Alum | PVC | 1102 | 4 | 10 | 10'2" | 5'4" | 17" | 99 |

HOT LIPS, 2 PERSON TOWABLE

WOW - Hot Lips 2 Person Towable

If you like to draw attention at the lake then this is the tube for you. This unique custom big mouth hot lips design will

surely get you noticed. We had some fun with this one and we think you will to. But Hot Lips isn't only about looks; this is a great performing tube as well. The drop bottom will give you a fast ride over the wake and through the whips while the open big mouth cockpit design will make the more timid riders feel secure. Hot Lips has front and back tow points so you can ride in a seated position or chariot style from the back tow point. Hot Lips is a playful, high-performing, concept towable that will bring you lots of laughs at the lake.

Part #: 742-151100

- Reinforced towing system
- Speed valve for fast inflation and deflation
- Zippered valve cover
- Tapered construction is higher in the front than back to prevent submarining and give the rider wild wake action

Part #: 50-86931

MACHO TOWABLE

WOW - Macho Towable, 1-3 Riders The Macho Combo from Wow is a new kind of deck tube. You can still ride the Macho Combo like a regular deck tube, lying down and holding on for dear life. But if all that holding on is too much work, you can sit down inside the Secure Cockpit Seating built into the Macho deck tube body. The design team at Wow figured out how to turn the basic one-dimensional deck tube into a multi-positional family fun mobile. Unlike the traditional deck tube which you can only lie down on, the Macho Combo tube allows you to lay, sit, or kneel. What we did was we added Secure Form-Fit seating right in the middle of the tube. Our Secure Form-Fit seating is constructed with an internal, heavy duty nylon harness to prevent the riders bottoms from hitting the water. On top of that we added a layer of UV-protection treated, heavy-duty, Flex-Sit material to make the cockpit form fitting and ultra-comfortable. The Macho Combo Series is the perfect all in one action towable for the family with kids that want to sit inside a cockpit for a more secure ride and for those more adventurous ones that want to kneel or lie down on the deck and just hold on for dear life.

BATMAN SOFT TOP BUBBA TOWABLE

WOW Batman Soft Top Bubba Towable, 1-2 Riders The flat base offers a smooth ride over the water and minimal drag on the boat and will get this towable

going fast on the water. The secure deck seating comes with a super high backrest with sidewalls, great for keeping kids safe and secure. Front and back tow points allow you to ride sitting, laying down, or kneeling chariot style. Also makes a perfect floating couch on the water, great for relaxing with friends.

Part #: 742-22WTO3930

BIG MABLE

AIRHEAD - Big Mable Inflatable Double Rider Towable

This next generation Mable for 1 to 2 riders has a High Backrest and Air Cushioned

Side Walls to keep you on board around every whip and turn. Dual Tow Points allow for 2 completely different riding experiences. Sit, lay, stand, or kneel while towing forwards like a deck tube or backwards like a chariot. Tons of Double Webbing Foam Handles with Knuckle Guards and Foam Seating Pads provide a comfortable ride that will keep you coming back for more. Airhead's Patented Speed Safety Valve and Kwik-Connect tow point will save you time to keep on the water longer. This uniquely shaped classic towable features a Heavy Gauge PVC Bladder and Double Stitched Full Nylon cover with Custom Graphics. Multi-functional is the Big Mable's middle name, whether its providing a unique towable riding experience or making the perfect lounge at any pool, beach, lake or river!

Part #: AIR 53-2213

- Double webbing foam handles with EVA foam knuckle guards
- Heavy-duty PVC bladders
- Speed valve with zipper cover for fast inflation and deflation
- Heavy-duty tow system construction featuring front tow point, heavy-duty partial nylon cover
- Made from nylon and PVC

Part #: 50-86903

SUPER BUBBA HI-VIS TOWABLE

WOW Super Bubba Hi-Vis Towable, 1-3 Riders The Bubba couch style towables are some of the most popular tubes on the market. They make for a perfect starter tube for the family just getting into

towables but also they are a tube that just about anybody can have fun on. The Bubbas come with a flat base for a smooth ride over the water and minimal drag on the boat. The SECURE DECK SEATING on the Bubbas come with a super high backrest with sidewalls which is great for keeping young kids safe and for giving them a secure feeling if they are just getting started on towables. But dont get us wrong, these arent just for little kids. The high backrest just means its more difficult to fly off on the more wild rides. The smooth, flat base will get this baby going fast on the water if thats what youre in to. The Bubbas also come with front and back tow points so you can ride sitting, laying down, or kneeling chariot style. And after your ride is over the Bubbas make a perfect floating couch on the water. Great for relaxing with your friends at your favorite body of water.

Part #:742-171060

SUPERMAN SOFT TOP **DECKTUBE TOWABLE**

WOW - DC Comics Superman Round Soft Top, 3 Persons. Vibrant HI-VIS tropical graphics that won't chip or rub off. This 3person towable is perfect for

you and friends to hop on. The full nylon zippered cover keeps your towable looking great when not in use. The built-in molded EZ Tow Connector makes connecting it to your boat a cinch. The tapered shape (high in the front, low in the back) makes acceleration comfortable.

Part #: 742-22WTO3928

WAKE WALKER TOWABLE

WOW - Wake Walker Towable, 2 Persons. The design helps keep riders in their seats, both with the shape and the strategicallyplaced, easilygrippable handles. The front tow point means you'll be tipped back, feet facing

forward, as you glide over big wakes with ease. Durable construction.

Part #: 742-23WTO4770

BIG BUDDY TOWABLE

Big Buddy Towable, 1-2 Riders. The Big Buddy 2 is an updated, all PVC version of a classic towable. The EZ-Up Nose allows for minimal drag, making takeoffs a

breeze, a footrest for lounging or a spray blocker for the riders while in action. The side rests are EXTRA long to protect the riders. WOW, blowing the competition out of the water, again and again.

Part #: 742-22WTO3930

BIG BETTY

AIRHEAD - 1-2 Persons. Inspired by the Big Mable tube. This boat towable holds 2 people. Riders love the air-cushioned dividers, which provide a secure

seated riding experience reminiscent of a cockpit tube. Riders who want a more wild day can turn the tube around and kneel on the deck. EVA foam seating pads keep riders cushioned no matter which way they ride, and self-bailing drain vents keep them dry.

Part #: 253-AHBT3002D

CHARIOT TOWABLE

WOW - Chariot Towable, 2 Persons. Safety, durability, and speed! Sit, stand, or kneel as you zip over waves. In addition to having three ways to ride, there are dual tow points that allow the

tube to face either direction. The backrest and the foam webbing handles provide support so you can stay on while speeding ahead. Made from heavy duty materials.

Part #: 742-23WTO3976

WONDER WOMAN SOFT TOP **DECK TUBE TOWABLE**

WOW - DC Comics Wonder Woman 2 Person Soft Top, HI-VIS image won't chip or rub off. A 2-person towable, perfect for you and a friend. The full nylon zippered cover keeps your

towable looking great when not in use. The built-in molded EZ Tow Connector makes connecting it to your boat a cinch. The tapered shape (high in the front, low in the back) makes acceleration comfortable.

Part#: 742-22WTO3929

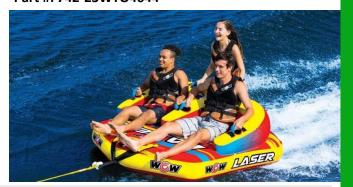

LASER TOWABLE

WOW - Laser Towable, 3 Persons. Cockpit tube that offers equal parts thrill and safety. Made from 840

denier nylon across the main body and a thick PVC base to withstand high speeds and strong sun rays. Two riders can face forward in the cockpit-style seats with a third friend kneeling in the back for even more excitement. Features five total handles.

Part #: 742-23WTO4644

SUPER BIG BETTY

AIRHEAD - If you've heard about Big Mable, you know Airhead 3 person towable tubes mean business.

Likewise, Super Betty is a 3 person towable tube with a long list of top-notch features.

Riders love the air-cushioned

dividers, which provide a secure seated riding experience reminiscent of a cockpit tube. Riders who want a more wild day can turn the tube around and kneel on the deck. EVA foam seating pads keep riders cushioned no matter which way they ride, and selfbailing drain vents keep them dry.

Part #: 253-AHBT3003D

AIRHEAD – 1-4 Persons. Inspired by the Big Mable tube the air-cushioned dividers provide a secure seated riding experience. EVA foam seating pads keep

riders cushioned no matter which way they ride, and self-bailing drain vents keep them dry.

- Dual Tow Points: Two separate tow points so you can decide how you want to ride
- Fully Covered: Entire tube is covered with our double-stitched nylon to ensure both comfort and years of use
- Dividers: Small inflatable walls that help ensure each rider has their own space
- Patented Speed Safety Valve: Patented simple valve for quick and easy inflating and deflating

Part #: 253-AHBT3004D

CARVE

AIRHEAD - 1 rider tube for boating & watersports Kwik-Connect -Airhead's patented Kwik-Connect for quick and easy rope connection

Easy to steer and slalom in and out of the wake Speed Safety Valve - For fast and easy inflating and deflating

SHARK TRAINER

JOBE – 1 Person.

Amazingly suitable and sweet for children. The perfect towable to capture the basics of riding a towable or water-skis. The

round-shaped nose makes sure your mini-me stays protected and makes easy boarding possible.

Part #: 673-230120002

SNOW TUBES

SURGE TARPAULIN

WOW - Surge Tarpaulin-Bottomed, 1 Person. Speed, convenience, and quality collide with SURGE, a snow tube designed for the adventurous spirit. This 1 person inflatable snow tube is no joke: the heavy-duty partial cover and dual double

webbing foam handles make it easy to hold on tight and keep your cool on even the slickest, most chilly days. It's also designed to last—with heavy gauge cold crack PVC and heat-sealed seams that promote years of use. It's perfect for winter daredevils, because the ski polish tarpaulin bottom allows fast sliding while resisting punctures from ice and rocks. The tow leash helps you take it up the mountain, and the fast inflation valve helps you deflate in a flash.

Part #: 742- 22WST4435

SCOUT

JOBE – 2 Person. This is what they call a sweet ride. Keep that airline flow going with this 2person towable with

luxurious tapered shape for easy entry. This is truly a fun towable, providing a crazy combination of excitement, stability and comfy seating comfort. It's broad widespan and round shape make it glide easy over big waves. A neoprene seat pad gives a little more grip while splashing around. The Scout is fully covered in durable 420 denier nylon with a welded 24-gauge PVC bladder. Easily connect your rope to the quick connector.

Part #: 673-230220005

HYDRA

JOBE - Hydra Towable 1PThis 1 person towable is one of the fastest around. Jump & fly safely with its PVC-inside and a rough double-

stitched nylon outer-layer. The Hydra is shapedsuper-sharp, allowing you to reach top speeds. It's quick rope connector is as fast as you, and makes easy connection and detachment possible. Hold on tight to the 2 comfy neoprene knuckle guards.

Part #: 673-230120009

HOTSEAT

JOBE - Hotseat Towable 1PSet foot on the almighty Hotseat, Jobe's fastest and most durable 1 person donut towable. The

difference between the Hotseat and the other donut towables is the full 840 denier cover, which makes this the most durable donut towable. The Hotseat is equipped with 4 luxurious neoprene knuckle-guard handles which offer grip and comfort.

Part #: 673-230120008

TRACER TOWABLE

WOW - Tracer Towable, 1-2 Riders
Want a tube that delivers fun in both the snow and
the water? Tracer is an all-season tube that does
exactly that. In summer, use Tracer as a towable tube
that connects securely to your boat with a heavy-duty
tow system. In winter, it's designed for downhill snow
tubing the whole family can enjoy. The heavy gauge
cold crack PVC has heat sealed seams that ensure this
tube lasts for years of winter and summer fun. There's
also four double webbing foam handles and knuckle
guards that help you hold on tight, and a ski polish
heavy-duty tarpaulin bottom for puncture resistance
on either waves or snowy hills.

Part #: 742-22WST4438

POW! SNOW TUBE -56

WOW - POW! SNOW TUBE -56, 1-2 Person. Make memories with the WOW POW! giant snow tube, the go-to winter tube for endless thrill that fits 1-2 riders. POW! is durable and cold-resistant, thanks to heavy gauge cold crack PVC with heat

sealed seams. This inflatable snow tube stands out with four PVC molded handles, which add dexterity for the single rider, or extra safety with two on board. There's also an extra slick PVC bottom to ensure smooth and speedy riding. It's convenient, too: The fast inflation valve helps you quickly deflate when you're ready to wrap up the day. Whether you use it as a one or two-person snow tube, this versatile and long-lasting winter tube will keep you reminiscing on the fun long after your boots have dried.

Part #: 742-22WST4434

SNOW TUBE BOBSLED

WOW - Snow Tube Bobsled for Kids and Adults, Feel like you're driving a snowmobile with the unique shape of Bobsled, a one-person snow tube you can ride kneeling or sitting. The shape of this inflatable snow tube

provides a shield from snow, and the two molded handles help you keep a tight grip. The PVC slick bottom on our Bobsled winter tube allows for a fast and fun riding experience every time. Lastly, the durable construction features heavy-gauge cold crack PVC with heat sealed seams, so you can trust this tube to help you make memories all winter long.

Part #: 742-22WST4439

LEGEND HARD BOTTOM SNOW TUBE

WOW - Legend Hard Bottom Snow Tube, Legend is a fast snow tube that honors its name (and then some). To start, this tube far exceeds your average snow sled because it's specifically designed for

downhill sledding. Features like a heavy-duty full cover and hard shell super slick bottom help you slide quickly, whether you're on packed snow or powder. There are four double webbing foam handles designed to help you hang on while wearing mittens, and the heavy gauge cold crack PVC has heat sealed seams that keep this tube in commission for years. Transport it up the hill with a tow leash and easily inflate or deflate with the fast inflation valve. Whether you're flying solo or sledding alongside friends, Legend is one of the best snow tubes for enjoying the winter season.

Part #: 742-22WST4436

SNOWSTEER SNOW SLED

WOW - SnowSteer Snow Sled, Discover an entirely new snow tubing experience with Snowsteer, a winged 1 person snow tube that helps you slide. Made to optimize downhill sledding,

Snowsteer is an oblong shape with four double webbing foam handles that let you lie down on your belly and catch some serious wind. The top deck riser wings keep you on board as the ski polish heavy-duty tarpaulin bottom adds slickness and speed. Best of all, the heavy-duty molded bottom has snow runners that help you navigate with ease. You'll also love the heavy-gauge cold crack additive, which keeps this winter snow tube in top shape for many winters to come. Add in the fast inflation valve for quick inflation and deflation, the padded zippered valve covers, and the convenient tow leash, and you'll see why so many winter lovers call this best inflatable snow tube you can buy.

Part #: 742-22WST4437

WATER-SKI AND TUBE **TOW ROPES**

75' WATER SKI ROPE WITH 12" HANDLE

Seachoice - Water Ski Rope With 12" Handle, **COMPETITION SKI ROPE** ASRT COL

• 16-Strand hollow braid polypropylene rope • Rope and handle float for quick and easy

retrieval on the water • Coated to esist the damaging effects of UV light • Rope keeper keeps your rope coiled and out of the way when not in use • Color may vary

Length: 75" - Sections: 1 - Grip: Textured Rubber

Part #: 50-86651

SNOW-DOZER SNOW

TUBE-42

WOW - Snow-Dozer SNOW TUBE- 42. Looking for a single or double rider snow tube that can take your winter to new heights? The WOW Sports Snow-dozer is

the king of all winter snow tubes. This classic donut tube is crafted with heavy duty PVC, radio frequency welded seams, and cold crack additive built to resist wear and tear in snowy conditions. Bulldoze the snow with two safe and durable PVC handles (with room for mittens!), which help you hold on tight as you speed down the slopes in a lying or sitting position. The best part? The bright, abstract colors, cockpit design, and oversized shape makes this winter sled perfect for both kids and adults, so the entire family can enjoy.

Part #: 742-22WST4433

BUNGEE DOCK LINE

AIRHEAD - The Airhead **Bungee Dock Lines** absorb shock to boats, cleats, docks, pylons, and other hardware. The bungee cord is hidden inside the rope, where it acts as a builtin snubber.

Two foam floats on these bungee dock lines protect the boat from chafing, which extends its longevity. There's a sliding adjustment at both ends for quick, efficient docking. These dock lines are recommended for docking boats and PWC's up to 3,500 pounds.

The tensile strength of the rope is 2,150 pounds, and it stretches to 5 1/2 feet. This boat dock tie comes in a multi-color black, blue, and red color scheme.

| 50-42441 | Green w/Black |
| 50-42401 | White w/Black |

FOLDING ANCHOR KIT

This Folding Anchor Kit features a 3.5 lb. painted hot dipped, galvanized folding grapnel anchor with 25' of 1/4" line, an adjustable float, stainless fast eye boat snap, and

storage bag. Great as a primary anchor on dinghies, PWCs, canoes, kayaks, and small sailboats.

Inexpensive and easy to store they are also useful as a backup anchor on larger boats. Effective holding power in mud, sand, gravel, or rocky conditions.

Part #: 354-318003K

HEAVY DUTY DAVIT SYSTEM

This is the complete davit hook up allowing you to attach a 10' to 12' inflatable dinghy to the swim platform. Only for hard bottom dinghies. It includes the HD-Front Arc, 2 HD-RS110 davit

heads w/Quick Kits, and the Transom Arc (select the Transom Arc that you need for your dinghy). This will need to go with the Weaver Hoist/Leaver and will take weights up to 400 pounds.

Part #: 957-HDRBD202

TOW ROPE

Seachoice Tow Rope For PWC or Inflatable Boats Features:

- 20 feet
- 16 Strand
- 2,000 Lbs. tensile strength
- Rope floats
- Snap hooks at ends
- **UV** protected
- Includes reusable keeper

Part#: 50-40541

GRAPNEL FOLDING **ANCHOR KIT**

Grapnel Folding Anchor Kit For boats, sailboats, PWC and canoes. Use in sand, rock, mud and gravel bottoms. Painted hot dipped galvanized iron with forged flukes. Includes: Anchor, Anchor Line, Adjustable Buoy, Stainless Steel

Hook and Storage Bag.

Part #: 50-41002

SNAP DAVITS

This Snap Davit Kit work with soft or hard bottomed inflatable dinghies on yachts with swim platforms.

They hold the dinghy securely and tightly against the swim step, making it easy to get in and out, or to transfer equipment.

- Use for inflatables with a total weight not exceeding 150 lb
- Includes pairs of RS110 snap davit heads, oblong dinghy pads with SS yokes, and commonly used mounting hardware
- Glue to attach pads to the inflatable is sold separately; choose Hypalon® (such as WEA 2001 series) or PVC (such as WEA 3001 series), depending on inflatable material
- Use of optional WEA #Quick-Kit brackets will allow easy removal of davit heads from the swim step for a cleaner look, and increased safety

Part #: 957-RBD100

与月

TRANSOM ARC DAVITS

The Arc transfers the weight of heavier outboards from the transom of the inflatable to the swim platform. The stainless-steel Arc is built to be removed when not in use. The Arc snaps easily into the davit head on the swim platform. Includes a special receiver bracket that mounts on the inflatable transom. It's simple receiver release pin allows for easy removal and storage.

Weaver worksheet must be filled out as this product is custom tailored.

| Part #: | Description: |
|-----------|--------------------------------|
| 957-ARCT1 | For Inflatables, 16"-17" Tubes |
| 957-ARCT2 | For Inflatables, 18" Tubes |

TOW HARNESS

Improves Towing and Boat Control, 1,000-Lb. Tow Capacity, 8 Ft. Long, 3/8 in. Diameter

Reliable Tow Harness enhances towing and boat control while towing

- High-impact plastic float pulley helps keep tow line away from boat prop
- Attaches easily and securely using large snap hooks
- 1,000-pound towing capacity
- 8 feet long with 3/8-inch diameter

Part #: 50-86701

DINGHY SLING

This sling is fully adjustable on

the spot. Forged stainless steel hardware with 1-3/4" mil spec. parachute harness webbing.

| Part #: | Description: |

CLEANERS, CHEMICALS AND POLISHES

303 UV PROTECTANT

No other product provides this much protection for your boat and water gear. Use Aerospace Protectant to keep your boat's seats, sails, hull and windows colorful and clean. Marine Aerospace Protectant is a premium protectant designed to safeguard boats and boat equipment against

AQUA-

the damaging effects of daily exposure to UV rays. It's safe for use on outdoor gear and apparel, too.

Part #: 21128

DINGHY & FENDER CLEANER

Agua-Tek Dinghy Cleaner is powerful, non-abrasive and excels at cleaning Dingy and for defenses. It cleans quickly, easily, efficiently and this with a minimum of effort. It is very easy to rinse and let the shiny surface. It is biodegradable, so will not affect fish or other aquatic life. Powerful cleaner removes most difficult

Part #: 51150

INFLATABLE & VINYL CLEANER

Inflatable & Vinyl Cleaner by Captain PHAB. An eco-certified vinyl cleaner that is waterbased, solvent-free and 100% safe on all inflatable surfaces.

- Water-based and biodegradable
- 100% safe on all inflatables

Part #: 583-256

FIBERGLASS COLOR RESTORE

STARBRITE Fiberglass Color Restore Brings back original color and luster. Removes heavy oxidation, chalking and fading. Seals surfaces against future fading. Will not scratch or harm gelcoat. Excellent for all dark colored boats. No hard rubbing. Easy to use.

Size: 473ml (16 oz.) Part #: 74-81816C

Star britte.

INFLATABLE VINYL CLEANER

POWER #1 HULL AND FIBERGLASS CLEANER

Removes stains from the fiberglass hulls of boats, upholstery, wood, copper, rims, brake dust, vehicles, fenders, fiberglass, sink, toilet, bathtub, clothing, cement, stainless steel, humidifiers, fabric, concrete, painted surfaces, bodies of carburetors, decks, chrome, ceramic grout. Will also remove coffee stains, grape juice stain and much more. It is also biodegradable, no smell, won't hurt your skin, and is non-flammable. Apply on dry surface, wait 60 seconds, and watch it disappear. Simply rinse when done.

Part #: 538-20131L

INFLATABLE BOAT CLEANER

This special formulation is a nonflammable, heavy duty cleaner that quickly removes dirt, grease, grime & stains. Works equally well on fiberglass surfaces.

Applications:

- Fiberglass
- Inflatable boats
- rubber

Unit Package Description: 32 Ounce (946 ml) Spray Bottle

Part #: 77-76832

ULTIMATE PADDLESPORTS Quality CLEANER & PROTECTANT

Starbrite Ultimate Paddlesports Cleaner & Protectant enhances the color and texture of all treated surfaces; it is safe for use on plastic, Kevlar, fiberglass, vinyl and rubber.

- Spray on, wipe off to remove grime, dirt, salt deposits and more.
- PTEF© polymers help protect against UV damage.
- Formulated for use on fiberglass, Kevlar© and plastic rotomolded kayaks, paddleboards and canoes.

Part #: 74-96022C

REVIVAL ECOLOGICAL PASTE

Zodiac Revival is an ecologically-friendly paste that cleans, degreases, polishes and protects. Specifically designed for boat maintenance it removes

yellowing, tartar, rust marks on the gel coat and tubes. Put a little ecologically friendly Revival paste on a wet sponge, squeeze into a lather and rub in, then, rinse. The paste has an unlimited shelf life.

Part #: Z61111

LONG DIP 'N' SCRUB BRUSH - STIFF BRISTLE

Shurhold Industries Inc Long Dip 'N' Scrub Brush 276 Stiff chemical resistance bristles.

Perfect for bait wells, wheels and waterlines.

Part #: 658-276

Star britte.

MICROFIBER REGGAE WASH

Starbrite Microfiber Reggae Wash Sponge

Microfiber material is highly absorbent yet super soft, so it will not scratch gelcoat or painted surfaces. Use wet for washing, dry for dusting. Machine washable.

Description: Sponge with scrubbing side

ELECTRICAL AND LIGHTING **COMPONENTS**

4 SWITCH PANEL ADJUSTABLE CONTROL BOX

When mounting locations are limited, our signature control box is second to none

and is a first for the Marine Industry. Hand built construction from High-grade Marine materials, switches, and wiring, this control box is ideal for any boat without a console that has a tower, railing or pole where the control box can be mounted to. Being fully adjustable with its RAM arm, this control box can be setup to any position with ease to make access to the controls more easily accessible and can be moved out of the way when not being used.

What's Included:

- Control Box w/ 4 BlueSea Switches
- BlueSea Housing Fire Resistant Box
- 3 feet Marine Tin Coated Wiring 18 ga
- RAM Mount fully adjustable Arm
- Weatherpack connector for quick wiring connections

Components made in the USA - Assembled in Canada

Part#: GASSWITCH001

MEGA OR AMG SAFETY FUSE BLOCK

BLUE SEA

Blue Sea 7721 MEGA or AMG Safety Fuse Block

- Ignition protected for installation aboard gasoline or diesel powered boats
- Sealed cover protects fuses from the harsh marine environment
- Insulating cover satisfies ABYC/USCG insulation requirements
- Cover breakouts allow wire access in any direction
- 300A maximum with 4/0 cable
- Accepts Blue Sea Systems Square Format standard or custom label

Fuses sold separately

Part #: 661-7721

BUSBAR PLUS 10 GANG COMM W/COVER

BLUE SEA

features tin-plated copper bus, 1/4" stainless steel studs

- The industry standard busbar for positive distribution
- The industry standard busbar for the collection of negative or AC ground circuits

Part #: 661-2300

BLUE SEA ST BLADE COMMON **SOURCE ATO/ATC FUSE BLOCK W/NEGATIVE BUS - 12 CIRCUITS WITH COVER**

Blue Sea Systems 5026 ST Blade Common Source ATO/ATC Fuse Block w/Negative Bus - 12 Circuits with Cover. Clear insulating cover with label recess for small Blue Sea Systems' labels. Cover insulates all conductive parts, satisfying ABYC/USCG requirements. Tin-plated copper buses and fuse clips give 30 Ampere rating per circuit. Rated for 32

Volts DC, 100 Ampere maximum per block. Accepts ATO and ATC fast acting blade type fuses and plug-in style circuit breakers. Thermoplastic base and polycarbonate

Part #: 661-5026

GROUP 24 SNAP-TOP BATTERY BOX

NOCO

Heavy-duty grade battery box for automotive, marine, lawn & garden and more. Compact design features reinforced handles to prevent cracking during relocation and ventilation holes for releasing battery gases. Impact

resistant down to -20° F, withstands acid, gas, oil and other contaminants, and immune to UV exposure. Meets USCG Code of Federal Regulations 183.420 and ABYC E-10.7 specification. Black.

Part #: 589-HM300BK

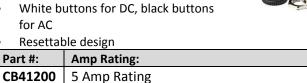

MANUAL RESET CIRCUIT **BREAKER**

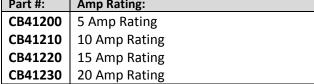

Sierra Manual Reset Circuit Breaker.

- Replacement for popular panel mounted breakers
- Mounts in 3/8" hole
- for AC

Part#: 33050R3

AQUA SIGNAL Series 27 is for safe navigating at night or in low light conditions. It provides all-around white LED or bi color LED light maximising visibility on the water. It is designed for small watercraft, dinghy, canoe,

Part #: 40-274007

TOWER/ARCH ALL AROUND LIGHT

Perko -Tower/Arch All Around Light. USCG Certified for use on power driven vessels under 20 meters (65.6 ft.). The right light for arches and towers. Thumbscrew makes for easy adjustment of light position. 360° all round navigation light in the up position, a cockpit courtesy light in the down position, or forward and out of the way for daytime skiing. Plastic adapters for flat, curved or "V" type mount, contains notch for through base wiring. 3/4" anodized aluminum pole.

PORTABLE LED NAVIGATION LIGHT KIT

The NaviPack Portable LED Navigation Light Kit is the perfect companion for small, tiller steered power boats, inflatables, or as an emergency nav light pack for larger vessels. In one convenient, value-for-money pack you get everything you need to comply with the legal requirements in almost every

Supplied with three RAILBLAZA mounts, you can use the StarPort, SidePort or QuikPort, and the good news is you'll have one of them left over. There are endless mounting possibilities.

Disassembly when you're finished is quick and easy, and in the handy storage bag it will stow just about anywhere.

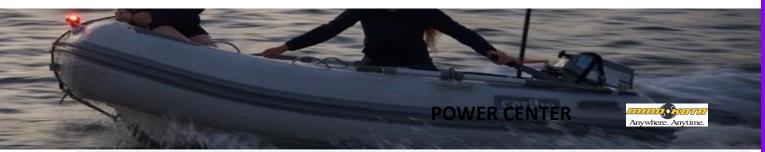

Kit includes:

All-round white light

country and territory.

- Port/starboard light
- Light pole
- All required mounts and fasteners
- Carry bag

Part #: 04-4092-11

PORT/NAV LIGHT INFLAT CAMO

Attwood Marine 14193-7 Port Nav Light Inflat Camo. Be seen and be safe with these compact and portable LED navigation lights. All new portable navigation lights are more durable, easier to use, and include Attwood's strongest mounting and pole configurations. Ideal for personal water craft, camping, and hunting. Kit includes red/green LED bow light, white LED stern light, quick release mounts, pole, and hardware.

- Water-resistant bow and stern navigation lights
- Attwood's most durable, portable LED navigation light engines
- Sealed electronics, built to last in harsh conditions
- Sealed, shock-proof composite housing
- Shatter-proof polycarbonate lens
- 150+ hour run-time on three AAA batteries (not included)

Part #:14193-7

BATTERY BOX

For small boat, transom applications (boats that do not have battery compartments), these easy access external battery terminals allow trolling motor leads and charger leads to be connected without opening the

box. Built-in battery meter displays current "state of charge". Includes two 12-volt accessory plugs, and 2 manual reset circuit breakers (10 amp for accessory plugs and 60 amp for trolling motor). Fits group 24- and 27-size batteries.

Part #: 27-1820175

FABRICS, REPAIR KITS AND PATCHES

HULL/BODY MAINTENACE AND ENGINE SERVICE

PROP GUARD®

The PROP GUARD® will vastly improve safety, and can give you better overall performance!

There are no "minor" propeller accidents. Installation of the Prop Guard® on all propellers would greatly reduce prop blade injuries to humans and marine life. The added thrust also allows for better handling control of the vessel. The Coast Guard, life guards and military vessels are preparing to order Prop Guards[®] because of the greater propeller safety factor and increased vessel control that they can achieve.

TRANSOM SUPPORT PLATE

TH-Marine Transom Support Plate for Lower Bolts. These Transom Support / Washer Plates are made of strong 3/8" 6061 T6 alloy aluminum (not cast aluminum), the CMC transom washer can eliminate bolts "biting" into

transoms and can more evenly distribute loads on high performance engines.

Features:

- Constructed of strong 3/8" 6061 T6 alloy aluminum
- Eliminates bolts "biting" into transoms
- Evenly distribute loads on high performance engines

Part #: TSP2DP

HI-JACKER™ FIXED JACK PLATE

T-H Marine Hi-Jacker™ Fixed Jack Plate 4" Set-Back.

This tough 3/8" thick aluminum bracket provides an inexpensive solution to mounting a long shaft outboard to a short transom. Also great as a fixed jack plate for all V6 outboards. Handles all outboards up to 150 hp. Three engine

mounting holes on top and slot on bottom along with two transom mounting holes combined with a 3" designed lift allows a total of 5 1/2" of lift with a full four (4) inches of setback.

Part #: JP4FADP

TRANSOM SUPPORT PLATE STD

13"

TH-Marine Transom Support Plate Standard.

Washer Plates are made of

strong 3/8" 6061 T6 alloy aluminum (not cast aluminum), the CMC transom washer can eliminate bolts "biting" into transoms and can more evenly distribute loads on high performance engines.

Features:

- Constructed of strong 3/8" 6061 T6 alloy aluminum
- Eliminates bolts "biting" into transoms
- Evenly distribute loads on high performance engines

Part #: TSP1DP

SMART TABS 7X8 - COMPOSITE

This is a complete kit of Smart Tabs series 20 Lb. selfleveling trim tabs (pair) without switch. The ST 781 Series is ideal for Small Tender, Roll Up Inflatable, & RIB design boats 10' to 12' length. This system provides an active suspension system for the boat that increases stability and smooths the ride even in rough seas.

- Plates include five (5) actuator mounting positions for further customization
- Non-abrasive white composite plates
- Adjustable trim plate bracket
- Ideal for contoured transoms
- Each kit includes all components, mounting hardware, sealant materials, templates, and installation instructions
- **Faster Acceleration**
- Increase top speed
- Provide a level, more comfortable ride at lower
- Improve fuel economy, handling, and safety

Part #: ST78120

KEELGUARD

Wear and damage to your boat's keel can break down its protective gelcoat finish, allowing water to reach and destroy the

fiberglass laminates. Megaware KeelGuard®, the powerful abrasion-resistant protector, prolongs the life of your boat like nothing else.

BRAVO BP12 - BRAVO SINGLE STAGE ELECTRIC **PUMP**

Bravo BP12 is a super efficient lightweight single stage high pressure piston pump that will inflate up to pressures of 14.5 psi. Simply set the turn dial to your desired pressure, press

the "on" button and this little workhorse will do the rest.

Part #: 6130050

BREVO

BTP12 - BRAVO HIGH-PRESSURE 12 VOLT PUMP

Bravo BTP-12 High-Pressure 12

for quickly inflating your stand-up paddleboard. Hook it up to a 12 volt battery and it puts out up to 15 psi air pressure.

- Inflate quickly with this powerful 12 volt pump.
- It's easy to know exactly what pressure you have with the built-in 0-15 psi gauge.
- 9-foot long battery cables and 6-foot air hose gives you good reach.
- Eight valve adapters, including one specifically for Leafield C7 and D7 valves, links up to most common valves.
- Pump, cables and hose fit in a handy zipper carry case, with shoulder strap.

Never operate Bravo with vehicle motor running - it will damage the pump due to a higher voltage output. Part #: BTP12

SP25 REPLACEMENT HOSE KIT

Bravo replacement hose kit. Replaces hose for the Bravo 1, 2 and 10 foot pumps. Includes hose connector/adapter, closing clip and 3 valve adapters.

SUPER SEAL 16OZ.

SUPER SEAL, stops air leaks on your inflatable from the inside out. Seals minor pin holes and small leaks, seam leaks and material porosity leaks. SUPER SEAL can be used on inflatable boats, air floors, kayaks, canoes, toys and much more. Follow as directed for a perfect seal. For PVC, Hypalon and Rubber Materials

- Easy to use
- Seals seam leaks
- Plugs small holes and porosity leaks5
- 500mL 16 oz.

MADE IN CANADA Part #: SUPSEAL16

RIGID POLYURETHANE POUR IN **PLACE FOAM**

FiberTek PF8 Rigid Polyurethane Pour In Place Foam, 8L, 2/case. Polyurethane Pour in Place Foam is a two component liquid material that, when mixed

together, will expand to approximately 25 times its volume at 21° C. It has a density of 2 lb. per cubic foot and is used to fill cavities and voids, insulation for tanks and holds, and as floatation for docks, etc. Size: 8L

Part #: 70312

105 EPOXY RESIN - QUART

SVEETA.

West 105 Epoxy Resin is the base material on which all West System epoxy compounds are built.

The resin is a clear, pale yellow, low-viscosity liquid epoxy resin.

Formulated for use with West System hardeners, it can be cured in a wide temperature range to form a high-strength solid with

excellent moisture resistance. West System 105 Resin is formulated without volatile solvents and does not shrink after curing. It has a relatively high flash point and no strong solvent odour, making it safer to work with than polyester or vinyl ester resins. Resin viscosity is approximately 1000 centipoise (cp) at 72 F (22C),

West 105 Resin is designed specifically to wet out and bond with wood fibre, fibreglass, reinforcing fabrics and a variety of metals when mixed at the proper ratio with a West System hardener.

An excellent adhesive, 105 mixtures will bridge gaps and fill voids when modified with West System fillers and can be sanded and shaped when cured.

West 105 Resin and West 207 Hardener mixtures cure clear so you can achieve a natural finish when coating with varnish.

"A" Size Pack is for use with West 205-A, 206-A or 207-A Hardeners.

Part #: 655-C105A

4200 FAST CURE POLYURETHANE/ADHESIVE SEALANT

3M 4200 Fast Cure

Polyurethane/Adhesive Sealant, Cures fast and forms a watertight seal between joints and hardware. Onepart, all-purpose sealant chemically reacts with moisture and forms flexible, watertight, weather-resistant seals on joints and hardware. Can be used above or below the waterline; approximately half the strength of 3M's 5200, which allows for eventual disassembly of parts. Note: Can be softened by some teak cleaners and sealers and is not recommended for sealing teak decks.

Key features

- Forms watertight, weather-resistant seals
- Chemically reacts with moisture to deliver flexible bonds
- Can be used above or below the waterline
- Cleans up with mineral spirits or kerosene
- Tensile strength: 300psi

Part #: 71-06564

206-A SLOW HARDENER 7 OZ.

West 206-A Slow Hardener is a low-viscosity epoxy curing agent for use when extended working and cure time is needed or to provide adequate working time at higher temperatures.

When combined with West 105 Resin in a five-part resin, to one-part hardener ratio, the

DURCISSEUR LEN

cured resin/hardener mixture yields a rigid, highstrength, moisture-resistant solid with excellent bonding and coating properties.

Not intended for clear coating.

The "A" Pack size is for use with the 105-A Quart size of Resin.

Pot life at 72°F (22°C): 20 to 25 minutes Cure to a solid-state: 10 to 15 hours Cure to maximum strength: 1 to 4 days

Minimum recommended temperature: 60°F (16°C)

Part #: 655-C206A

300 MINI PUMPS

300 Mini Pumps are designed for convenient and accurate metering of Group A, B, and C WEST SYSTEM 105 Resin-based epoxy. The 300 Mini Pump Set Contains one resin pump and two hardener pumps.

Pumps mount directly on the resin and hardener

Part #: 655-300

West System G/Flex 650 Toughened Epoxy - 2 gal.

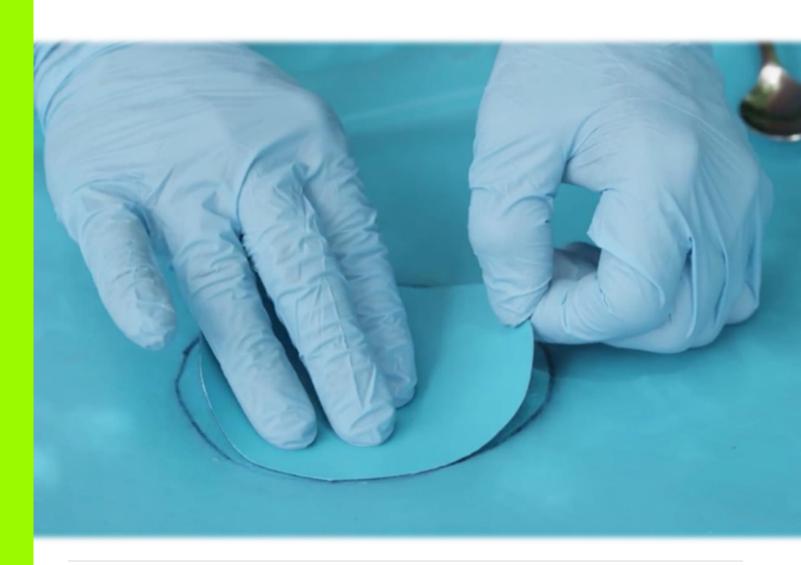

G/flex 650 is a toughened, versatile, liquid epoxy for permanent waterproof bonding of fiberglass, ceramics, metals,

SWEET

plastics, damp and difficult-to-bond woods. With a modulus of elasticity of 150,000 PSI, it is a bit more flexible than standard epoxies and polyester, but much stiffer than adhesive sealants. This gives it the ability to make structural bonds that can absorb the stress of expansion, contraction, shock, and vibration. It is ideal for bonding dissimilar materials. It can be modified with WEST SYSTEM fillers and additives and used to wet-out fiberglass tapes and fabrics.

Part #: 655-6552G

BIMINI TOPS

SWELLFISH BIMINI TOPS

Perfect bimini to keep you out of the sun or dry on those famous west coast rainy days! We use a heavy gauge PVC fabric that is UV-protected and waterproof to make sure your Bimini lasts for many seasons.

Swellfish Bimini includes easy quick disconnects for the crossbars, a rear support bar to keep the Bimini out of the way and more stable on those windy days. The Bimini can be stored in the forward position (resting on the tubes), deployed to cover the main area of the boat or in the radar position to not interfere with passengers or for when you are casting from the boat. Included with the bimini are storage and carrying bags.

Each Swellfish boat comes pre-installed with the Bimini mounts, no glue is needed with our system.

Mounting Pads may be required for other boats.

| Part #: | Fits: |
|--------------|-------------------|

T-TOPS

ORIGINAL FOLDING T-TOP

Using Fishmaster Patent #7418918, the Original Folding T-Top is crafted with a second fold in the canopy. Not found on any other t-top on the market, this double fold aids in fast and easy storage. When you are ready to get back on the water, simply unfold the top to provide instant protection against sun or

rain. For added folding ease, we recommend purchasing a set of quick release knobs. This folding design is ideal for areas such as dry dock storage, utility or garage storage, water access under bridges, and other low clearance problems.

The Original T-Top is designed to fit universal on center console from 24" to 50" wide and can be installed on your boat with ease.

Universal fit on any center console or rib/inflatable boat with a console 24" to 50" wide.

1.90" Aviation marine grade 6061-T6 extruded and anodized aluminum.

Patented design folds down for lower clearance areas. Installs in hours and perfect for those DIY'ers! Installation video and Fishmaster Sales Team available for added support.

Marine Grade UV Resistant Sunbrella® fabric available in 9 Colors.

Part #:SOF00*

SEABRIGHT BIMINI TOP

- Anodized aluminum frame
- High quality Acrylic fabric
- Rear support pole bimini top stays up when not in use

Zippered storage boot - for when bimini not in use Includes 4 "glue-on" pads and

There are lots of Bimini Tops for inflatable boats on the market but most have the following drawbacks. They use the oarlocks as a fastening point which means that you need to sacrifice the use of your oars. They do not have rear support poles or a zippered boot which means that you have no place to put the bimini when it is not in use. These Bimini Tops do not have either of these

Mounting hardware needed for other brand boats.

| Part #: | Fits: |

| SBBIMINITOPMEDIUM | Seabright 380 |
| SBBIMINITOPLARGE | Seabright 430/500 |

PRO SERIES FOLDING T-TOP

The Pro Series T-Top has been trusted by OEMs and serious anglers for years as their shade solution for center console fishing boats. With its patented design, the Fishmaster Pro Series T-Top is the only boat t-top that folds twice for storage, low clearance areas, and keeps

your t-top out of sight. The marine-grade UV-resistant Sunbrella® fabric used in the t-top's canopy is considered the best in the boating industry.

The universal design of the Pro Series T-Top adjusts to fit on any center console fishing boat with a console 24" to 50" wide and accommodates a variety of t-top accessories to make your time on the water even more enjoyable. Universal fit on any center console or rib/inflatable boat with a console 24" to 50" wide.

It Folds Twice™ - Once at the side supports and a second time in the canvas.

Beefed up 2.25" tubing made of 6061-T6 aluminum will not rattle and shake in fresh or salt water.

OEM styling that matches the lines and look of modern boats.

Two tier canopy is 35 square foot with a truss design that keeps the Sunbrella® fabric taut to repel water and block sun.

Ergonomic grab handles are 1.9" in diameter for a comfortable and secure hold.

Works seamlessly with side console door. No modification needed!

REPRODUCTION TRANSOM GET FOR YOUR INFLATABLE

Need a replacement transom for your inflatable boat. Look no further! Our dedicated team of staff can manufacturer a replacement reproduction transom for your inflatable boat.

A few measurements are required to build a quote for your replacement transom. Use chart below.

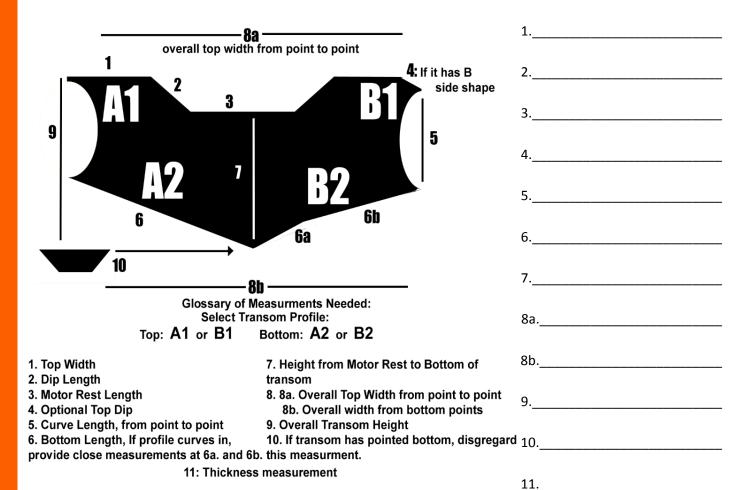

Our transoms are made using hi-quality marine grade plywood, which are then epoxy dipped to strengthen the overall structure of the wood and protect it from the elements. After epoxy has hardened, it then goes through a vigorous process of prepping and straightening to remove any flaws or warps, then gets gel coated. Colors include, gray, Black, red. After each finishing process, the transom is engraved with a anti-theft SN and also HIN that you provide from your inflatable boat.

Contact us for today and get a replacement transom for your inflatable boat.

We make replacement transoms for Zodiac-Nautic, Bombard, Seamax, Seabright, Saturn Inflatables, Aquamarine, Quicksilver, and much more.

ZMSR

ZODIAC MILPRO™ SURF RESCUE WAVE-PROOF RESCUE BOAT

Zodiac Milpro™ has developed the ZMSR 380 in collaboration with the International Federation of Rescue.

This very light and extremely maneuverable boat is technically accomplished and is particularly efficient in terms of seaworthiness and practical capabilities face to jet skis and other beach rescue material.

The design of the ZMSR hull and bow makes it particularly effective tackling breaking waves and highly stable in sea spray and backwash. Accessories and ergonomics of the boat are also specifically designed to optimize the effectiveness of the crew in all phases of rescue operations.

This is the ultimate quick-deploy emergency solution for Search and Rescue, Firefighters, and other response groups. Equipped with advanced inflatable technologies, it unfolds and inflates in mere moments to get you on the water fast. Saving valuable time during critical situations. Equipped with speed tubes for increased speed and superior handling, allowing you to reach your destination quickly and with unmatched agility and control.

Stay prepared with the fastest, most efficient, and easily deployable emergency response boat available! An indispensable asset during critical missions, from search and rescue missions to emergency response, from marine research to flood water response.

SEARCH AND RESCUE

- Water-tight face seal

Part #: 693- MIS230TC

WATER EMERGENCY

WATER CRAFT

Following the design concept of the original RDC Rapid Deployment Craft,

the WERC big brother has arrived. This boat boasts most of the design features of the RDC performance package and adds the 4th dimension feature, it is fully motorized.

SPECIFICATIONS: Weight: 50 lbs.

Length: 15'4" No. of Air Chambers: 3 Width: 48"

Buoyancy: Tube Diameter: 12" >2000+ lbs.

Floor Length: 8' Fabric: 35oz. PU/PVC Access Holes: 22"x40" 12 years Warranty, with

registration

MUSTANG ICE COMMANDER RESCUE SUIT

The Mustang Ice Commander™ is the suit of choice for search and rescue teams, fire departments, and ice rescue professionals. The modular suit is completely waterproof with a watertight hood, integrated gloves, and attached boots. The flotation and insulation performance of a zip-in

buoyancy liner allows users to immerse themselves for long periods of time in icy cold water and maintain mental and physical capabilities. Updated liner with zipper and velcro attachments allows easier removal for cleaning and repair. Each Ice Commander™ has an integrated chest harness for attachment to tether lines, ice awl pockets for storage, rubber gloves, reinforced knees and non-slip rubber soles on the attached boots. As well, each suit is 45% lighter than other rescue suits as it is made in a high visibility welded nylon shell.

Part #: IC9001 03

Designed for use in commercial operations, this Immersion Suit from Mustang Survival is the ideal ship abandonment suit for workboats,

Includes buddy line

Includes retrieval harness rated to 1000lbs (454kg) dead-weight for minimum 10 min

Ankle adjustments for a better fit

- 5mm fire retardant neoprene provides flotation and hypothermia protection
- Triple-sealed seam construction
- Non-slip, durable soles
